The Avenue School Recycling Project

Dear Parents and Carers

At The Avenue we are committed to ensuring we do everything possible as a school to support the climate change agenda. We aim to achieve this through building as many opportunities for our pupils to take responsibility for their world.

To expand our pupil's knowledge of the importance of keeping our planet clean and healthy, we are launching our School Recycling Project.

Each term we will have a material of focus, and this Autumn term it will be **PAPER**.

We are asking your child, supported by you, family or friends to create a 'recycled craft project' using paper based materials i.e. paper, cardboard, cereal boxes, newspapers etc.

Please check out this website for ideas and to help you get started
<https://www.artistshelpingchildren.org/newspapersartscraftsideaskids.html>

Projects can be handed in at any point but due by Friday 15th December 2023.

Thank you for your continued support and have a wonderful half-term break.

Kindest regards

Avenue team
