The Avenue School Recycling Project – Spring term

Dear Parents and Carers

As you are aware last term we launched our recycling project to expand our pupil's knowledge of the importance of keeping our planet clean and healthy.

At The Avenue we are committed to ensuring we do everything possible as a school to support the climate change agenda. We aim to achieve this through building as many opportunities for our pupils to take responsibility for their world.

This Spring term our material of focus will be **PLASTIC**.

We are asking our pupils, supported by you, family or friends to create a 'recycled craft project' using plastic based materials i.e. straws, grocery bags and water bottles.

Please check out the below links for ideas to help you get started:

<https://www.artistshelpingchildren.org/plasticbagsartscraftsideasprojectskids.html>

<https://www.artistshelpingchildren.org/artscraftsideasplasticbottlesprojectskids.html>

<https://www.artistshelpingchildren.org/plastic-containers-artscraftsideaskids.html>

Projects can be handed in at any point but due by Friday 22nd March 2024.

Thank you for your continued support and Happy New Year!

Kindest regards

Avenue team
