February 2024

Dear Parents and Carers,

Parent and Carers Online Safety Session: Tuesday 5th March 2024

With the digital world becoming an ever-increasing part of our daily lives, it can sometimes feel difficult to keep up with the latest trends and developments – particularly regarding social media and online games. Given how quickly technology is changing, it continues to be vital that we all know how to keep our children safe online.

Through our IT and PSHE lessons we teach pupils about staying safe online. To support us in this, I would like to invite you to an Online Safety Session on **Tuesday 5th March 2024 at 1.50pm**. The session will provide you with an insight into the most popular technologies and how young people are using them.

Throughout the session, we will offer advice and strategies on talking to your children about technology so that you can engage with their online lives in a healthy, positive and productive way. We will also signpost you to a range of resources which you may find useful.

The session will be led by an external consultant from SWGFL - Safety & Security Online. They are a charity ensuring children benefit from technology, free from harm <https://swgfl.org.uk/>

Location - online

Date - Tuesday 5th March 2024

Time - 1.50pm

I very much hope you will be able to join us at this important session. As always, if you have any concerns about your child's use of the internet, please speak to their class teacher or a member of our senior leadership team.

Yours sincerely,

Ms Rachel Rai | Headteacher
