Dear Parents/Carers,

My name is Tunde Alabi, and I run DARE playscheme.

DARE playscheme is a specialist playscheme for children and young people with special educational needs. We currently run on Saturday and holiday playscheme at The Village school in Kingsbury.

We are delighted to announce that we will start running our DAREManor Saturday (9.30 am to 3.30 pm) and holiday playscheme (9.30 am to 2.30pm) at Manor School (6-11 years) and The Avenue school (8 - 19 years). We are Ofsted registered at both schools.

The aim of the playscheme is to provide a safe and stimulating environment where children and young people can socialise and enjoy different activities and to provide families with much needed respite.

Places can be funded by the local authorities (subject to meeting their criteria), direct payment, and self-funded.

Brent Social Services has already been informed of this service. Please contact your social worker/Keyworker if you have one to discuss funding. If you are not known to Brent Social Services, you can contact them on 020 8937 4300 or [family.frontdoor@brent.gov.uk](mailto:family.frontdoor@brent.gov.uk) to request an assessment and funding options.
