Developing Language and Little Wandle Phase 2 Sounds parents and carers information session

Dear Parents and Carers,

At The Avenue School, we follow the Little Wandle Letters and Sounds revised phonics programme which meets the criteria for high quality phonic work and application.

This phonics programme helps us to adapt our teaching to the range of pupils' developing abilities, as it helps us to make sure that all children make progress at a pace that benefits their capabilities.

The programme is designed to support our pupils in the early stages of developing their reading, so that they develop confidence in applying the skills across all areas of learning.

To find out more, please come along to our information session on **Wednesday 13th March 2024 at 9.30am - 10.45am** which will focus on **developing early language skills and Phase 2 Phonics Sounds**.

If you would like to join, please attend at the school on **Wednesday 13th March 2024**.

Yours sincerely
