### The Avenue School Recycling Project – Summer term

Dear Parents and Carers

As you are aware we launched our recycling project to expand our pupil's knowledge of the importance of keeping our planet clean and healthy.

At The Avenue we are committed to ensuring we do everything possible as a school to support the climate change agenda. We aim to achieve this through building as many opportunities for our pupils to take responsibility for their world.

This Spring term our material of focus will be **FABRIC**.

We are asking our pupils, supported by you, family or friends to create a 'recycled craft project' using fabric based materials.

Please check out the below links for ideas to help you get started:

[Fabric Crafts for Kids : Easy Sewing Crafts Ideas with Fabrics, Felt, Cloth, String, Yarn with Patterns for Children & Teens & Preschoolers \(artistshelpingchildren.org\)](https://www.artistshelpingchildren.org/)

**Projects can be handed in at any point but due by Friday 19<sup>th</sup> July 2024.**

Thank you for your continued support

Kindest regards

**Avenue team**
